

AUGUST 2017

Welcome to the 2017-2018 School Year!

Can you believe we are approaching the end of the third week of school already? It has been a busy month, and we all are looking forward to a very productive and successful year.

Thank you to everyone who has provided supplies for their children and the classrooms. We appreciate your consideration, and it makes a big difference in making our school the best it can be.

Students are linking to their current grade ST Math accounts this week. Once your child makes a certain amount of progress at school, they will be able to work on ST Math at home. We will send an informational flyer home early in September with additional information.

At Open House, information about AR Home Connect was distributed. Please sign up for this service so you can monitor your child's progress in the Accelerated Reader program.

If you were able to attend the Meet the Teacher event or Open House or both, thank you! Your involvement makes a difference, and it is important for children to know their families are a partner in their education.

Again, welcome to the 2017-2018 school year! We aim to provide a meaningful and motivating environment that encourages the success of all students every day. We look forward to accomplishing our journey of learning with you!

Thank you,

Mr. Blume and Mr. Nellis

CHAMPS

Our school has been working since the school year started to implement CHAMPS, a structure designed to positively and proactively communicate expectations to students across our school. The CHAMPS acronym stands for **C**onversation, **H**elp, **A**ctivity, **M**ovement, **P**articipation, and **S**uccess. Each classroom also has a unique set of expectations and procedures. Staff share their expectations for students throughout the day, and visual cues remind students of what appropriate behaviors are expected. Following are some examples of expectations for students across the school.

Conversation

- Level 0 = Silent (No Voices, No Noises) 
- Level 1 = Quiet Voice (Only Your Neighbor Should Hear You, Whisper) 
- Level 2 = Conversation Voice (Only the Small Group Around You Should Hear You) 
- Level 3 = Presentation Voice (The Entire Class Should Hear You) 

Help

- Raise Your Hand to Ask for Help 
- Ask Another Student Before Asking the Teacher  
- No Help is Available Unless There is an Emergency 

Activity

- Individual Work 
- Small Group Work 
- Whole Group Work 
- Centers/Stations 

Movement

- Stay Seated (Do Not Get Up to Get Supplies, etc.) 
- Getting Supplies is Okay 
- Getting a Drink from the Fountain is Okay 

Participation

- *The teacher describes what it will look like when students are participating appropriately.*

Success

- "If you follow these expectations, you will be successful."

Please take some time to discuss CHAMPS with your child. He/She should be able to tell you about how CHAMPS is utilized in the classroom, in the hallway, at specials, in the lunch room, and at the restroom. If you have questions, please contact your child's classroom teacher for specific information about the classroom expectations, rules, and consequences.

Thank you for your support and involvement!
